

Journal of Clinical Healthcare

Article Review Form

I kindly request your review of the article we have received. Your review will be confidential. Please fill in each of the sections in the form and add your own remarks at the end, if that is necessary.

If you will not be able to review the article within 2 weeks, please send it back to the editorial office. If the subject matter is out of your area of interest, I'd be very grateful if you could suggest contacting some other reviewer.

Yours sincerely,

The editor-in-chief

Zbigniew Kopański, M.D. Ph.D.

Article title.....
.....

Article type (please mark)			
Review article	Original article	Case report	Other
